Our 1C-BK 2-way monitor speaker merges stunningly-accurate sound reproduction with neo-classic design, making it perfect for even the most sophisticated environment. Sold in pairs, the 1C-BK is an exceptional choice for a wide range of fixed installations, such as stereo and surround applications, home recording studios, restaurants – as well as audio and video production suites.

Incredible Sound Quality

The 100-Watt 1C-BK derives its incredible great sound from a powerful 5.5" cellulose cone woofer and high-resolution 0.5" tweeter. The internal crossover provides auto-overload tweeter protection, and the high-precision components and design ensure absolute phase linearity. The result: full-power, ultra-linear frequency response ranging from 60 Hz all the way up to 23 kHz.
