

# Neutron XS Hazer

Consistent & Efficient Haze Production

## Features:

- Consistent haze production
- Patented STAR technology
- No - oil, water, residue or irritation.
- Equity approved
- Microprocessor controlled
- Optional DMX interface
- Efficient - minimal power consumption
- Self-cleaning and low maintenance
- Quiet
- Warranty – 12 months

The Neutron XS Hazer utilises Le Maitre's world patented S.T.A.R (Sequentially Tracked Automatic Re-Issue) technology to produce consistently pure haze with no oil, no water, no residue and no noise.

This compact unit can deliver up to 100 hours of haze from just one 2.5 litre bottle of fluid. Combine this with its minimal power consumption and built-in self-cleaning mechanism, and you have a top of the range hazer that is low cost as well as low maintenance.

## Control & Programming

- Haze on/off
- Automatic self-cleaning on start-up
- Optional DMX interfacing

## Performance

- Haze for up to 100hrs using 2.5 litres of fluid
- Fan output up to 50 cubic metres/hour
- Low fluid consumption 25cc/hr
- Low power consumption
- Tested and safe for use on live stage performances

## Neutron XS Hazer (continued)

### Fluids

- Haze Fluid: A sugar based fluid designed to hang in the air and accentuate beams of light without creating a messy oily residue. Haze fluid is used in much smaller proportions to smoke fluid thus giving the benefit of atmosphere without the large consumable cost.

Le Maitre Hazers have self-cleaning programmes and easily serviceable parts which alleviates the problems associated with ash.

***Le Maitre's fluids are included in the "Equipment Based Guidelines for the Use of Theatrical Smoke and Haze" prepared by Environ International Corporation and can be used in compliance with ANSI standards for theatrical fog and the PLASA (previously ESTA) Fog Testing Program. Copies can be found on [www.actorsequity.org](http://www.actorsequity.org).***

### Installation

- Orientation: Floor

### Physical / Electrical

- Size (HxWxL): 280 x 240 x 280mm
- Weight: 11 Kg
- Power: 230v, 50/60Hz, 250W, 1A

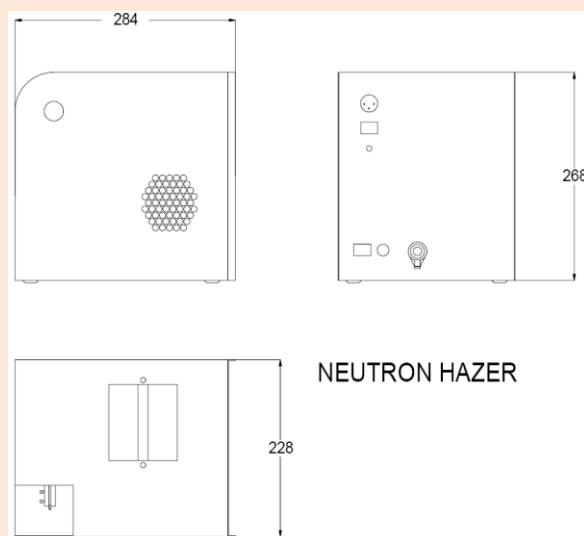

### Product Codes:

#### Machine & Accessories

2999	Neutron XS Hazer 230V
2971	Neutron XS DMX Remote
2874	Curly Tube for Neutron XS
2875	Straight Tube for Neutron XS

#### Fluids

2948	Haze Fluid 2.5L
2908	Haze Fluid 5L
2916	Haze Fluid 200L
